Indiana Soccer Foundation

Improving lives of youth through soccer

Our Vision

Lifelong Values through Soccer

The Indiana Soccer Foundation believes that youth is a time of promise. It is our vision to:
Fulfill that promise by helping youth learn lifelong values through soccer.

To help build a promising future for children of Indiana and learn lifelong values through soccer.

To help build a promising future for the children of Indiana and leave a legacy with a lasting and meaningful impact on Indiana youth.

Mission Statement

"Improving Lives of Youth through Sport"

To improve the lives of youth by enhancing supporting and fostering soccer related programs that focus on:
Character, social development, leadership and self-discipline.
Character, social development, leadership and self-discipline.
Providing under-served youth with equal opportunities through the identification and removal of barriers.

Objective

The primary objective of the Indiana Soccer Foundation is to support youth throughout Indiana's rural and urban communities. To accomplish this, the Foundation will:

Focus on programs and events that help soccer players develop into good community citizens.

Promote soccer opportunities where there is limited or no ability for children to participate in organized soccer activities.

Provide funds or other resources to assist soccer in building new and upgrading existing soccer facilities for youth organizations throughout Indiana.

Providing player fee and camp tuition support for players with economic challenges when appropriate.
Promote soccer related programs for players with physical, emotional and mental challenges.
